Dear Keshequa Community,

The Board of Education would like to encourage you to come out and vote on **Tuesday, May 15th** from noon til 9:00 pm in the Nunda District Lobby!

There will be three propositions you will vote on. First is the 2018-19 budget of \$17,844,969 which is a decrease from last year's budget. Second is the purchase of two buses for the upcoming year, the District plans to utilize money from the bus reserve fund that you voted to establish last year to pay the local share of this cost. The third proposition will be to continue having a student government representative at all Board of Education meetings. Lastly there are currently two board seats up for election. There are two incumbents running for reelection, they are Mr. Terry Lowell and Mr. Jeff Bugman. Both seats are four year terms.

We hope all of you that are eligible will come out and vote! Thank you for your continued support!

Sincerely,

The Keshequa Board of Education

There is always a story to be told about a tractor: how many fields/ acres it has plowed, the year it was purchased and from whom and why, where you found the tractor, how many generations have driven the tractor, "my tractor is better than your tractor," etc. We love hearing the stories, as do the younger generation that is taking a renewed interest in the grand old tractors of yesterday. This is what makes the weekend fun and entertaining.
