## Donna Jones named 2017 REALTOR of the Year

Submitted

The Laurel Board of REALTORS® is pleased to announce Donna Jones with Jerry Ford Real Estate as the recipient of the Association's 2017 REALTOR of the Year Award. Donna is an accomplished real estate agent with a past record of closing numerous transactions, representing both buyers and sellers.

During her career, she has also received various other awards including Rookie of the Year in 2014, Top 5 Producing Agent in 2015, and Multi-Million Dollar Producer in both 2016 and 2017. She is a graduate of the Mississippi Realtor Institute, a member of the Mississippi Association of Realtors (MAR), a member of the National Association of Realtors (NAR), and a member of the Laurel Board of Realtor's Community Outreach Committee.

Prior to becoming a licensed real estate professional, Donna earned a Baccalaureate of Science degree from the University of Southern Mississippi and worked as a registered nurse for over 25 years. She grew up in Laurel, is married to Robin Jones, and has one son, Ridge. During her free time, she enjoys reading, writing stories and plays, fishing, and spending time with her family. Most of all, she enjoys listening to her son sing and watching him play various sports such as baseball, basketball, and tennis.

Donna is an active member in her church, Kingston Assembly of God, where she supports and participates in various areas of ministry. She is also an avid animal lover and works hard to support abused and abandoned animals in the community. Stronger laws against animal cruelty is something she prays Mississippi lawmakers will eventually enact.

The REALTOR® of the Year program is designed to recognize a realtor member of the LBR who has provided outstanding service to the local, state and national realtor associations, the real estate profession and the realtor's community during her period of membership. The ROTY is not based on sold/listing performance. Jones received the award at a recent award luncheon.

## JCJC Lady Bobcats claim national softball championship

By Shawn Wansley,  
JCJC Sports Information Director

CLINTON – Jones County Junior College had finished runnerup three times in the NJCAA Division II National Tournament.

But the fourth time was the charm for the Lady Bobcats. JCJC crushed Phoenix College (Arizona) 18-2 in the championship game here Saturday afternoon at Traceway Park.

Not only was it JCJC's first national title in fast-pitch softball, it was also the first national title in the sport for an MACJC school.

"I'm so happy for our kids, our program, our school and our administration," said ninth-year head coach Chris Robinson, who has guided JCJC to six national tournament appearances in seven years. "When we started back in August, I said if they bought in, we would have a chance to play on the third Saturday in May and they lived up to it."

"I'm very thankful for those 18 kids and our three coaches."

JCJC was oh so close winning it all last year, but they dropped an 8-7 heartbreaker to LSU-Eunice in the championship game.

# LADY BOBCATS, continued from page 1

Robinson said the sophomores on this year’s team remembered that.

“They were here last year in this game and got beat on a walk-off squeeze bunt,” he said. “For them to come in there this week and seize this moment – it’s all them. Just a fantastic job by our players and coaches.”

JCJC started off the season 33-1 but hit a bump in the road when they were swept at home by Itawamba on April 8.

They would not lose again, running off 21 straight victories, claiming their third straight MACJC and Region 23 titles, a national championship and ending up with a 54-3 record.

They dominated the national tournament, outscoring their opponents, 69-12, and belting 15 home runs in five games.

“What was strange about this year was that we started out really good in February and March,” Robinson said. “After spring break, we struggled offensively. We could not find our rhythm.

“But when we started postseason, we started pitching and playing great defense and we really swung the sticks well. I don’t know what it was, but they were really jacked up this week.”

Sophomore centerfielder Kelsha Loftin (Mendenhall) had quite a week, capped off by a tremendous performance in the title game where she was 4-for-4 with two home

runs, a double, a single and six RBIs and was named the tournament’s Most Valuable Player.

“To finally do it, it just feels amazing because we work so hard each and every day,” she said. “I’m just overwhelmed. It was a whole team effort. We just feed off of each other and when one person gets a hit, the next one wants to.”

Loftin is also pleased to be a member of the first national championship team led by Robinson.

“It means the world to him,” she said. “He has worked hard and for him to finally win it I am so happy and proud that I could be on the first team for him to do it.”

Winning pitcher Karli Perque (Westwego, Louisiana) said being runnerup last year was a motivating factor.

“The amount of time and all of the hard work we put in to get here finally paid off,” she said. “We got here last year and we got short, but we came through this year. We did this for everybody back home.

“We did not want to feel bad again and we wanted to go all the way this year. We came out this year and did what we had to do. It was an all-team effort.”

Perque and Madison Burge (Harrison Central) were named to the All-Battery Team for the tournament, while shortstop Taylor Murray (Parklane Academy) was named Most Valuable Defensive Player. Third baseman Emily Robinson (Lafayette) was named All-Tournament Infield and Loftin was named All-Tournament Outfield.

Chris Robinson was named Coach of the Tournament.

As far as the game itself, the suspense was over early.

JCJC sent 11 batters to the plate and scored seven runs in the bottom of the first inning.

Loftin led off with a bunt single and consecutive walks were issued to Murray, Robinson and Callie Venable (Clinton, Louisiana) to force in a run. Hallie Donald (Mooreville) followed with a two-run double. McKennah Sikes (Van Buren, Arkansas) walked and Gracie McCleskey (Caledonia) was hit by a pitch to load the bases.

Lofton then doubled to center to clear the bases and give Jones a 7-0 lead.

The Lady Bobcats went up 10-0 in the second.

Robinson led off with a double and Donald walked. Robinson stole third and scored on a throwing error. Sikes then blasted a two-run home run.

Loftin led off the bottom of the third with a home run into a grill beyond the leftfield fence to make it 11-0.

The Bears got on the board in the fourth when Tylor Gil walked and Cherish Paolinelli doubled her home.

The Lady Bobcats then ran the lead to 17-1 in the bottom of the fourth.

Donald walked to start the inning and Sikes blasted her fourth home run of the tournament to make it 13-1. Faith Denton (Northwest Rankin) was then hit by a pitch, McCleskey doubled and Simone McKinney

(Harrison Central) followed with an RBI single. McCleskey would score on an error and Loftin followed with a two-run home run to right into a tent.

Phoenix scored its final run in the fifth when Kara Golden was hit by a pitch, McKenzie Whitten singled and Heather O’Kelly reached on a bunt single. Kaitlyn Dennis would hit into a fielder’s choice, which scored Whitten.

The Lady Bobcats final run came in the sixth when Murray singled and Venable doubled her home.

Perque went the first four innings, gave up an unearned run, three hits, walked two and struck out three. She got the win to end the year at 24-2.

Donald pitched two innings, allowed one run and two hits. Burge pitched the final inning and retired all three batters she faced.

After Loftin’s performance, Jones got two home runs and four RBIs from Sikes, a double and a single from Emily Robinson, doubles from Venable, Donald and McCleskey and singles from Murray and McKinney.

O’Kelly had two singles for the Bears with Paolinelli getting a double. Whitten and Haley Johnston added singles.

Hanna Krosky started and took the loss. She faced six batters and did not retire a Lady Bobcat. She allowed six runs, two hits and walked four. Kiana Carr pitched six innings, allowed 12 runs, 11 hits, walked six and struck out seven.

Phoenix ends the year at 52-9.

# Laurel Board of Realtors commemorates the 50th Anniversary of the Fair Housing Act

## Submitted

For decades, Realtors, members of the National Association of Realtors, have supported a free open market that embraces fairness and equal opportunity for all buyers and sellers. Members of the Laurel Board of Realtors strongly support the Fair Housing Act, legislation first passed in 1968 and now prohibits discrimination based on race, color, religion, sex, handicap, familial status and national origin.

This year Realtors from Mississippi will join Realtors across the country to embark on a year-long commemoration of the 50th Anniversary of the Fair Housing Act to raise awareness for fair housing issues.

“Realtors continue to recognize the significance of this important act and reconfirm our commitment to upholding fair housing law, as well as our commitment to offering equal pro-

fessional service to all in their search for a home or property. Realtors work hard to build strong communities and neighborhoods where all people can live and prosper,” said Susan Brashier, President of the Laurel Board of Realtors.

Over the years, NRA has developed educational information on diversity and fair housing laws, programs and resources that have helped educate Realtors across the country on the importance of inclusive housing practices and the promotion of diverse homeownership. During the yearlong commemoration, NAR will further examine community fair housing issues and advocate for changes to the Fair Housing Act to prohibit discrimination based on sexual orientation and gender identity.

Realtors will focus on three key elements in 2018: acknowledging the organization’s changing role on the fight for fair housing, understand-

ing how we as a nation are constantly improving commitment to fair housing, and ways Realtors

“Fair Housing protects the American Dream of homeownership for all citizens and Laurel Board of Realtors looks forward to commemorating the anniversary and supporting the development of healthy and diverse communities” Braisher said.

For more information, visit [www.fairhousingrealtor](http://www.fairhousingrealtor) to learn about the commemoration, find materials and resources, and see what Realtors are doing across the country to advance fair housing.

# JCJC's SkillsUSA students headed to national competition

By Teresa McCreery

Twenty-four Jones County Junior College students went to Jackson to compete in the SkillsUSA state competition with eighteen students coming home with top honors. In June, the seven first-place winners will be headed to Louisville, Kentucky, for the National SkillsUSA competition. Among the winners, JCJC SkillsUSA Advisor, Ryan Hearn said is a group of students who boldly accepted the challenge to create a product in a new category, Engineering Design and Technology.

"This was a very challenging competition because students were required to develop an out-of-the-box solution to an everyday problem. They were responsible for the initial concept, design, modifications and preparation for state competition. I was very impressed with our group from JCJC taking first place in this new category," said Hearn.

JCJC students Justin Aultman of Saginaw, Michigan, McKenna Phippen of Seminary, and Derek Holder of Lucedale had to present their creation to a panel of judges that was made up of a group of head engineers from the Nissan Plant in Canton, Mississippi. With their first place win, these young entrepreneurs hope to sell their hand-powered trash compactor and are working towards marketing the product.

"I think the judges liked the idea because there is nothing like it now on the market and it solves a problem that many can relate to," said Aultman, who came up with the idea. "I had an overflowing trashcan and I stuck my foot in the garbage can with baby diapers and all. Yeah, it was pretty gross. Our idea will solve that problem in the future."

The team believes they have set a high standard for future competitors in this category, partly because they came prepared to the competition with a 3-D model of their invention.

"Aultman's team set the bar high and I look forward to future inventions by JCJC students. Overall, JCJC was well represented and trained for the state competition. The students handled themselves professionally and are excited to see what the next

These fourteen Jones County Junior College students went to Jackson to compete in the SkillsUSA state competition, winning top honors. level of competition will be like with students from across the nation," said Hearn.

Also headed to the national competition is Mayson Norton of Mobile, Alabama, after winning the Related Technical Math competition. Sarena Evans of Heidelberg earned first place honors in Commercial Baking, and Christopher Dukes of Stringer took home first place in Culinary Arts. Ben Smith of Quitman won first place honors in the Sheet Metal category at the state SkillsUSA contest. His instructor at JCJC, Thomas Johnson, is excited about Smith carrying on a winning tradition.

"In 2016 JCJC brought home the gold in the Sheet Metal category; in 2017 we earned third place; and we got first place honors this year. We are looking forward to continuing the winning streak and giving students the

opportunity to excel in their careers. When the students win, I feel like I won too because, when I see students accomplish their goals it brings me great joy," said Johnson.

After only four months of training, Smith managed to build a three-foot transition elbow with a 90-degree angle for ductwork to precise measurements within seven hours. Johnson said Smith's skills are in high demand for those who can accept the challenge. "You have to practice measuring and pounding the sheet metal to the exact dimensions. It's all done by hand but I really enjoy the challenge. After graduation, it's nice to know I have a job waiting for me," said Smith.

The second and third place winners at the SkillsUSA State competition include Richard West of Petal who received second

place in Welding Sculpture. Heather Williams of Petal earned second place in Power Equipment with David Jones of Sumrall and Cassandra Musgrove of Purvis earning second place in Esthetics. The JCJC Quiz Bowl team of Kevin Parkin of Petal, Warren Blackwell of Mt. Olive, Mason Wells of Raleigh, Jason Craven of Ellisville and Jaylon Hathorne of Bassfield earned second place. Third place honors were awarded to Austin Mullins of Ellisville in CNC Turning and Heidelberg's Halcyon Morgan took third place in the CNC Technician category.

The SkillsUSA National Competition will be held June 25 through 29, where Hearn said hundreds of student competitors are getting real-world experience and recognition for their skills.

# Am I to love those who talk bad about me?

By Dr. Bill Myers

Does God really expect me to love those that hate and gossip about me behind my back? Jesus said to him, “‘Love the Lord your God with all your heart, with all your soul, and with all your mind.’ This is the first and great commandment. And thesecond is like it: ‘Love your neighbor as yourself.’ On these two commandments hang all the Law and the Prophets.” (Matthew 22: 37-40)

I write often about the subject of “love” because Jesus emphasized the importance of loving one another. We aren’t supposed to pick and choose those we love, but instead love unconditionally. Love has no boundaries and isn’t based on nationalities, age, race, etc. As Christians, we are to love everyone. Is this a challenge? Certainly! It’s tough to love those that have hurt us, but we must look beyond the hurt and ask God to help us love. Many confuse love as a ‘door mat’ to be abused or mistreated. This isn’t so. God didn’t say we have to be best friends with someone who hates, mistreats, or slanders us. We should step back and pray that God will reveal to us their heart and motive and give us a love for them.

“But to you who are listening I say: Love your enemies, do good to those who hate you, bless those who curse you, pray for those who mistreat you. If someone slaps you on one cheek, turn to them the other also. If someone takes your coat, do not withhold your shirt from them. Give to everyone who asks you, and if anyone takes what belongs to you, do not demand it back. Do to others as you would have them do to you.”

“If you love those who love you, what credit is that to you? Even sinners love those who love them. And if you do good to those who are good to you, what credit is that to you? Even sinners do that. And if you lend to those from whom you expect repayment, what credit is that to you? Even sinners lend to sinners, expecting to be repaid in full. But love your enemies, do good to them, and lend to them without expecting to get anything back. Then your reward will be great, and you will be children of the Most High, because he is kind to the ungrateful and wicked. Be merciful, just as your Father is merciful.” (Luke 6: 27-36)

Love and forgiveness work together. In order to truly forgive someone, we must love. When we choose to forgive, the door opens for us to love. Love asks us to put others’ needs before ours. It’s a win/win for us! If we desire to obey God, and reach the lost, we must choose to walk in love. Love breaks down barriers and opens doors for us to reach their hearts.

Today, let’s be thankful and love others!

**New commercial listings! Walley Properties, LLC** has two new commercial properties situated in high traffic areas. Covington County +/- 9.62 acres located on Hwy 49 just north of the Hwy 84 intersection in Collins is priced at \$350,000. Forrest County +/- 3 acres located on Hwy 98 and Elks Lake Road south of Hattiesburg is priced at \$400,000. Both sites offer great road frontage and are in prime areas for economic growth. For more information, call Clifton at 601-606-4336 or visit walleyproperties.com.

**Greene County +/- 40 Acres.** Now is the time to start getting ready for next hunting season and this tract of land is the perfect place to begin. Located on Hwy 594 and Gray Road with one-quarter mile road frontage about 8 miles southeast of Leakesville near the Alabama line,

this listing is heavily wooded with three nice sized clearings perfect for food plots. Lott Branch flows through the property providing a great water source for the wildlife. This land has several nice spots for a home or campsite. Priced at \$114,500. For more information contact Walley Properties, LLC at 601-477-3014 or visit walleyproperties.com.

**Lamar County +/- 194 Acres.** This tract of land has lots of options to offer potential landowners. For the outdoorsman, wildlife is plentiful. Five ponds offer great watering sources for animals and good fishing holes for humans. Located six miles NW of Baxterville, this property is easily accessible with frontage on Johnson Road. There are several good sites for a home or camp. Priced at \$717,800. For more information contact Clifton at Walley Properties, LLC at 601-606-4336 or visit walleyproperties.com.

**Clarke County +/- 35 Acres.** This beautiful property is located just east of Quitman on CR 685 only minutes from Archusa Water Park and the Quitman Country Club. The land has recently been sheared and will be raked soon leaving a clean slate for many possibilities. This location contains multiple home sites and a nice pond site. Priced to sell at \$52,500. Contact Marc 601-670-5429 at Walley Properties LLC. or visit walleyproperties.com for maps and info.

**+/- 81 Acres Located on Sandersville-Eucutta Rd and Florence Church Rd.** just a few miles from East of I-59 and the town of Sandersville. This property offers Timber Investment, Recreation and Great Hunting along with Several Great House/Campsites. Property would make great pasture as well. Conveniently located for an Out of Town Get-a-way!!!! \$206,550 Call Woods & Waters Realty at 800-526-3961. See more at mfmiland.com.

**Perry County +/- 32 Acres.** Perfect for someone who wants a smaller tract of land for recreational purposes, this property is located on Gravel Pit Lake Road SE of Hintonville. It boasts 1/4 mile frontage on Thompson Creek with gorgeous sandbars, natural pines and hardwoods and a four-acre field perfect for a dove field or a food plot. This property will make

someone a great campsite. Priced at \$94,500. For more information contact Clifton at Walley Properties, LLC at 601-606-4336 or visit walleyproperties.com.

**Jones County +/- 83 Acres.** Price Reduced! This prime piece of land joins the west side of beautiful Lake Bogue Homa where the fishing is great! Owner willing to divide into two +/-40-acre tracts. With frontage on Magnolia Road, this tract boasts a mix of pines and hardwoods making it a gorgeous area for a nice estate, a weekend getaway camp or to subdivide into several home sites. Located in the NE Jones School District, it is now priced at \$223,270. Call Walley Properties LLC. at 601-477-3014 or visit walleyproperties.com for maps and more information.

**+/- 17 Acres Located on Hwy 15** just 2 miles from the Red Apple in Stringer, MS. This piece of property is a perfect for someone looking to build their dream home on looking out over a 2 acre pond. Property has mature timber which makes this place a hard to find property in the Stinger School District. Don't let this one pass you by!!!!
