*CONDITIONS FOR THE GO BIG AND GO HOME® SALE PROGRAM (the "Program"): Program only available from participating Clayton Homes Family of Brands retailers ("Seller") for the purchase of a new home with the Energy Smart upgrade package with a sales agreement that is signed May 1, 2018 through August 31, 2018. Energy Smart Home must be purchased at the posted home only retail sales price to be eligible for the maximum available incentive. Eligible buyer to receive an incentive in the following maximum amounts: \$1,000 with the purchase of a single-section Energy Smart home and \$2,000 with the purchase of a multi-section Energy Smart home (the "Incentive"). Actual value of buyer Incentive will vary based on the number of home sections purchased, total value of buyer Incentive not to exceed \$2,000. Buyer Incentive will be applied by the Seller as a reduction in the total sales price of the home package, consisting of the home purchased plus all other items included in the sale. If the posted home only retail sales price of the home is reduced by the Seller either through negotiation with the buyer, or as a result of the underwriting requirements of the lender selected by the buyer, the Incentive will be applied first to the amount of the negotiated or lender required reduction of the home sales price. Under no circumstances will any portion of the buyer Incentive be applied toward buyer's down payment if buyer obtains financing for the home purchase from any lender of buyer's choice. Buyer will be solely responsible for paying the entire amount of any down payment. Buyer may not combine the Program with any other offer or promotion. The Program may not be available with USDA/FHA/VA financing. Program is void where prohibited, but only to the extent prohibited.
