What makes an invisible hearing aid so good?

- Easy-to-use, allowing for effortless transitions as you go about your day.
- Customized for comfort, to fit your lifestyle
- Wireless - stream TV, phone calls, music and more with an optional streamer.
- Invisible aid helps deliver pristine audio and exceptional listening clarity.

All hearing aids do more than just make things louder; in fact, amplifying all sounds equally can cause listening discomfort and confusion.

But unlike prior technology, the Acuity Voice within the **NEW SoundLens Synergy iQ** technology stimulates only the parts of hearing that have been damaged, leaving any normal hearing unamplified. There's more benefits to custom fit aids, and you need to learn more!

INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS-PROVIDENCE, RI
IBEW LOCAL 99

Open-Shop Electrical Contractors, Your Time is Now!

For the past several years IBEW Local 99 has been actively recruiting, testing and welcoming into our Local: Apprentices, Journeymen Wiremen, Tele-com Techs and Contractors.

That effort has been an amazing success. We now have a database of many unrepresented hard working men and women who will be coming in the Union. Many of these people currently work in parts of the industry that the IBEW has historically not been as prevalent in, such as Residential and Light commercial.

We are now looking to expand our recruitment of high quality and ethical open shop contractors that specialize in that type of work.

Discover the value IBEW can have for your company:

- You pay nothing to the Union to sign with us!
- Immediate access to indentured apprentices!
- 1-1000 qualified Men and Women available with a single phone call!
- IBEW quickly becoming the main source of manpower in the Northeast!
- Flexible rates for non-traditional work!
- Your partner in protecting the industry!
- The safest and most productive workforce in the industry!
- The undisputed best training facility and staff in the industry!
- Complete flexibility in Staffing!
- Access to General Contractors and Bidding Opportunities!
- Free Benefit Management!
- Contractor Training and Support!

We are looking for only the best in manpower and contractors. If you are a great contractor, we should be talking to you now. There are many very unsatisfied craftspeople looking for a better life who are available right now and ready to move to your company!

Thanksgiving Novena to ST. JUDE
 O Holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ. Faithful intercessor of all who invoke this special patronage in time of need. To you I have recourse from the depth of my heart and humbly beg you, to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known and cause you to be invoked. Say three Our Fathers, three Hail Marys and three Glory Be's. Publication must be promised. St. Jude pray for us and all who invoke your aid. Amen. This novena has never been known to fail. It helped me. Thank you St. Jude for answering my prayers.

1. How many No. 1 hit singles did the Small Faces have over the years?
2. What happened to the song "Cheater"?
3. Did Roxy Music ever have a No. 1 hit?
4. Who originally released "No Milk Today"?
5. Name the song that contains this lyric: "Once you told me long ago, To the prom with me you'd go, Now you've changed your mind, it seems Someone else will hold my dreams."

Answers

1. Two. One in the U.K. ("All or Nothing") and one in Canada ("Itchy-coo Park.")
2. Michael Jackson co-wrote the song for his seventh album in 1987, but it was yanked for reasons unknown. Eventually, in 2004, it was put on the "Ultimate Collection" album.
3. Yes, once, with "Jealous Guy" in 1981. Roxy Music did net two No. 2s, however, "Dance Away" (1979) and "Love Is the Drug" (1975).
4. Herman's Hermits, 1967. Back in the day, milkmen delivered to the house. The song talks about delivering less because the lover has moved out.
5. "A White Sport Coat and a Pink Carnation," by Marty Robbin, in 1957. Robbins said he wrote the song in about 20 minutes while riding in a car and passing a school where students were all dressed up for their prom.

Vulnerabilities, like being embarrassed or risking love, can be terrifying. I think we should follow a simple rule: If we can take the worst, take the risk.

Thanksgiving Novena to ST. JUDE

O Holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ. Faithful intercessor of all who invoke this special patronage in time of need. To you I have recourse from the depth of my heart and humbly beg you, to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known and cause you to be invoked. Say three Our Fathers, three Hail Marys and three Glory Be's. Publication must be promised. St Jude pray for us and all who invoke your aid. Amen. This novena has never been known to fail. It helped me. Thank you St. Jude for answering my prayers.

SHOWS BEGIN NEXT WEEK!

85 1933-2018 YEARS
BILL HANNEY'S THEATRE BY THE SEA

THEATREBYTHESEA.COM 866.811.4111

ARIES (March 21 to April 19) Lots of possibilities begin to open up by midweek. Some seem more appealing than others. But wait for more facts to emerge later on before you consider which to choose.

TAURUS (April 20 to May 20) Bravo to the determined Bovine. While others might give up, you continue to search for answers. Expect your Taurian tenacity to begin paying off by week's end.

GEMINI (May 21 to June 20) You might want to consider stepping back from the task at hand for a while. This could help you get a better perspective on what you've done and what still needs to be done.

CANCER (June 21 to July 22) Your keen Cancerian insight should help you determine whether a new offer is solid or just more fluff 'n' stuff. The clues are all there waiting for you to find them.

LEO (July 23 to August 22) Being ignored is difficult for any proud Leo or Leona. But pushing yourself back into the spotlight might be unwise. Instead, let things work themselves out at their own pace.

VIRGO (August 23 to September 22) Trying to uncover a colleague's secret under the pretext of showing concern is ill-advised. Control your curiosity to avoid raising resentment in the workplace.

LIBRA (September 23 to October 22) Expect to hear good news about a loved one. Also, be prepared for some changes in several family relationships that could develop from this lucky turn of events.

SCORPIO (October 23 to November 21) Some surprises are expected to accompany a number of changes that will continue through part of next week. At least one could involve a romantic situation.

SAGITTARIUS (November 22 to December 21) You might be upset by some of your critics. But most of your associates continue to have faith in your ability to get the job done, and done well.

CAPRICORN (December 22 to January 19) A workplace goal that suddenly seems out of reach is no problem for the sure-footed Goat, who moves steadily forward despite any obstacles placed in his or her way.

AQUARIUS (January 20 to February 18) Uncertainty about who is right and who isn't might keep you from making a clear-cut decision. Wait until you know more about what you're being asked to decide.

PISCES (February 19 to March 20) Be careful to keep your emotions in check when dealing with a demanding personal situation. You need to set an example of strength for others to follow.

BORN THIS WEEK: You have an extraordinary ability to rally people to do their best. You would be a treasure as a teacher.

When it's time to say good-bye to your vacation place, be sure you've taken the proper precautions so you can enjoy it when you come back.

Before you vacate your vacation home, make sure coals are completely extinguished. Consider signing on with a central-station alarm company that provides services to monitor burglar and fire alarm systems.

- **Discourage break-ins**—Burglar alarm systems will summon help to vacation homes in more-populated areas but aren't as effective for isolated cabins, which are more difficult for police to locate. Invest in high-quality dead-bolt locks and post an alarm warning as a deterrent.
- **Attending to these important details** can go a long way to protect your investment and ensure continued enjoyment of your seasonal home.
- **For more information**, visit www.qberregional.com.
- **QBE Regional specializes** in property and casualty insurance through subsidiaries General Casualty, Unigard, Farmers Union Insurance and QBE Agri.

(NAPSA)—According to the U.S. Census Bureau, more than 3.5 million housing units in the U.S. are for seasonal, recreational or occasional use—from big summer estates and time-share condos to A-frame structures and simple fishing cabins.

“That means these homes are unoccupied a good portion of the year,” says insurance expert Charles Valinotti, senior vice president, QBE Regional. He offers tips on how you can minimize property loss and damage for your home away from home:

- **Team up with your neighbors**—If there are other seasonal homes in your area, get to know the owners and exchange phone numbers. Keeping an eye on each other's property is a good way to quickly learn about wind and hail damage—and take care of it before it gets worse. If a full-time resident isn't nearby, consider hiring someone to periodically patrol your residence.
- **Shut off the water**—As you prepare to exit your vacation residence for the season, remember to turn off the water. Not doing so can lead to massive water damage from a burst pipe. Valinotti suggests installing an alarm system that notifies a service when water is detected or the temperature dips below a certain level. “The service will contact you, so you'll know about problems sooner rather than later,” he says.
- **Snuff out fire hazards**—Valinotti says he's seen several large losses as a result of portable fire pits, where ashes can smolder long after a homeowner has locked up and left.

Tips For Drips

Do you know where your house is wasting water?

The water wasted by leaks is equivalent to:

More than 600 showers
 A family's water needs for a month!

280 loads of laundry

(NAPSA)—Did you know that, across the country, leaks account for more than one trillion gallons of water wasted each year? That's enough water annually to supply Arizona, New Mexico, Utah and Colorado combined.

Each year, the average American home wastes more than 10,000 gallons of water on easy-to-fix household leaks. That's how much water a family uses to wash 10 months' worth of laundry, and it could be adding 10 percent to your water bill.

Check your water bill in winter; if a family of four uses more than 12,000 gallons per month, you may have a leak. If your water bill is not measured in gallons, you can easily find a conversion calculator online. Finding and fixing leaks around the home is as easy as check, twist and replace.

Check toilets for leaks by putting food coloring in the tank and waiting a few minutes; if the color shows up in the bowl before you flush, you have a leak. The culprit may be a worn rubber flapper, which can be easily replaced at a hardware store. You should also check your outdoor watering system this spring for damage from freezing temperatures.

Twist the joints connecting your showerhead and use pipe tape to ensure a tighter connection if you've got a leak. Outdoors, twist the hose connection tightly to the spigot and replace the hose washer if necessary.

Replace worn gaskets to nip faucet drips; one drip per second wastes 3,000 gallons of water per year! If you need to replace an entire fixture, look for the WaterSense label, which signifies that a product has been independently certified to use less water and perform well.

For information about finding and fixing leaks, visit www.epa.gov/watersense.

KOVELS Antiques & Collecting

By Terry and Kim Kovel

"Bed Post" Doll

Dolls have been favored toys for centuries. Long before there were manufactured china, metal or plastic-headed dolls, there were wooden, rag and even dried-apple heads. And often, where there was no available doll material, folk-art dolls were made with leather and beads, silk stockings, felt, carved stone and fur, knit socks, clothes pins, wishbones, corn cobs, acorns and pinecones — even old broomsticks.

The pink, red and green stripes probably represent a blanket wrapped around this wooden folk art doll. The 20-inch-doll sold for \$1,600 at a Theriault's doll auction in Maryland.

A 2016 doll auction sold a German carved wooden folk-art doll, made in about 1850 from a hollow wooden tube and other wood pieces, for \$1,600. It is 20 inches tall and is decorated with a painted geometric design. There are no arms or legs, but the paint suggests a bunting blanket used on babies. The auction catalog called it the "bed post doll" because the head looked like the top of a bed post and was, perhaps, made from a recycled bedpost. The original painted finish, age, size and originality all added to the value.

Q. I'd like to know something about F. Winkles & Co. pottery. Is it old or valuable?

A. F. Winkle & Co. made earthenware at the Colonial Pottery in Stoke, Staffordshire, England, from 1890 to 1931. Ridgways took over F. Winkle & Co. in 1931. The Colonial Pottery became Whieldon Sanitary Potteries Ltd., later a subsidiary of Doulton Co. The factory was torn down in about 2000. Pottery by F. Winkle & Co. is selling for low prices. Dinner plates sell for \$10-\$25, bread and butter plates for \$9, a fruit dish for \$15. Serving dishes sell for higher prices.

Q. We have an old cast-iron stove that reads "Wooddale Belknap Hdw. & Mfg. Co. Louisville KY" on the front. It belongs to my mom and we want to sell it, but we need to know an asking range.

A. Belknap Hardware & Manufacturing Co. was established in 1840 by William Burke Belknap. Belknap made stoves, hot plates, dutch ovens, skillets and waffle irons. The company name became Belknap, Inc. in 1968. It closed in 1985. Some stoves with the same mark as yours sell for \$250-\$300.

CURRENT PRICES

Store sign, Ice Cream 5 Cents, ice cream-cone shaped, impressed lettering, copper, c. 1920, 14 x 6 inches \$160.

Charm bracelet, Bakelite, three hot dogs on buns, 4 footballs, 4 beer bottles, chain, 7 inches, \$370.

Toy sand shovel, Mickey and Minnie on beach, Disneyana, tin lithograph wood handle, Ohio Art, 1930s, 6 x 7 x 21 inches, \$595.

Needlework, embroidered silk textile, classical scene with servant pouring water, c. 1810, 21 x 17 inches \$800.

Tip: If possible, hang an oil painting or an inside wall away from direct sunlight

Thanksgiving Novena to ST. JUDE

O Holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ. Faithful intercessor of all who invoke this special patronage in time of need. To you I have recourse from the depth of my heart and humbly beg you, to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known and cause you to be invoked. Say three Our Fathers, three Hail Marys and three Glory Be's. Publication must be promised. St. Jude pray for us and all who invoke your aid. Amen. This novena has never been known to fail. It helped me. Thank you St. Jude for answering my prayers.
