### REAL ESTATE AD PHRASES (WHAT THEY REALLY MEAN)

**CHARMING** - Tiny. Snow White might fit, but five of the dwarfs would have to find their own place. See "Cute," "Enchanting," and "Good Starter Home."

**MUCH POTENTIAL** - Grim. Steer clear unless you have a lot of money and believe your blind dates really did have nice personalities. See "Ready to Rehab," and "Fixer Upper."

**UNIQUE CITY HOME** - Used to be a warehouse.

**HI-TECH/CONTEMPORARY** - Lots of steel shelving with little holes - the kind your dad used to store tools on in the basement.

**DARING DESIGN** - Still a warehouse.

**COMPLETELY UPDATED** - Avocado dishwasher and harvest gold carpeting or vice versa.

**SOPHISTICATED** - Black walls and no windows. See "Architect's Delight."

**ONE-OF-A-KIND** - Ugly as sin.

**BRILLIANT CONCEPT** - Do you really need a two-story live oak in your 30-foot sky dome? See "Makes Dramatic Statement."

**UPPER BRACKET** - If you have to ask . . .

**YOU'LL LOVE IT** - No, you won't.

**MUST SEE TO BELIEVE** - An absolutely accurate statement.

**ARIES** (March 21 to April 19) An apparent act of injustice might turn out to be either an error in judgment or just plain stupidity. So calm down and cool off, and let the explanations roll out.

**TAURUS** (April 20 to May 20) It's upsetting when someone you trusted might have failed you. But with new opportunities ahead, you'll soon be too busy to feel even a wee bit sorry for yourself.

**GEMINI** (May 21 to June 20) A sense of uncertainty could be a good reason to change your position on an important matter. Someone close might try to talk you out of it, but it's your decision to make.

**CANCER** (June 21 to July 22) Being too zealous in pursuing your goal could create some resistance. Try to be more mindful of what you ask people to do, and they'll be more likely to do it.

**LEO** (July 23 to August 22) Things change as you go from being ignored to being lionized once again. This is a good time to reintroduce those previously rejected ideas to a more receptive audience.

**VIRGO** (August 23 to September 22) Someone new in your life creates both anticipation as well as anxiety. Avoid the potential for misunderstandings by watching what you say and how you say it.

**LIBRA** (September 23 to October 22) Watch your budget so that you don't overspend now and have less to invest when the time is right later on. Arrange to share your weekend with someone special.

**SCORPIO** (October 23 to November 21) The temptation to involve yourself in a friend's or family member's personal problems is laudable. But get the facts before you make a firm commitment.

**SAGITTARIUS** (November 22 to December 21) You might be upset by some of your critics. But most of your associates continue to keep the faith in your ability to get the job done, and done well.

**CAPRICORN** (December 22 to January 19) You've reached an important point in your ongoing pursuit of your goals. You might now want to consider letting someone you trust join you on your journey.

**AQUARIUS** (January 20 to February 18) You've been going through a spate of uncertainty involving people you care for. But it might be time to take a stand on a position you feel sure you can defend.

**PISCES** (February 19 to March 20) Treading water keeps you busy, but it won't get you where you need to go. Time to stop making excuses and to start moving ahead toward your goals.

**BORN THIS WEEK:** You see life as both creative and pragmatic. You would not only be a fine artist, but also a successful one.

**BIBLE TRIVIA**  
by Wilson Casey

\* When you replace batteries, write the date of installation on the actual battery with a permanent marker.

\* "Get a sock bag for your laundry room. In our house, all stray socks go in the bag. Sometimes I will find a lone sock in a dresser drawer or under the bed. Chances are good I'll find its mate in the sock bag." -- I.L. in Pennsylvania

\* "If you're cooking ribs for a large group, you should use a small cooler to store them. I have two. I cook my ribs in the oven, then finish them on the grill. So, cooked ribs out of the oven go in a small blue cooler, and when they are finished on the grill and I'm ready to grill the next batch, they go in a red one. These are ready to eat. They don't lose much heat this way, and the meat will fall right off the bone." -- T.S. in North Carolina

\* "I sew a lot and do alterations for many people. I have found that if I use invisible thread for the top thread and change bobbins for different colors that I save a lot of time not threading the needle every time I do a different-colored garment." -- J.S. via e-mail

\* Dollar-store game hack: "I purchased a set of laundry bags at the dollar store. I use them to keep our building sets intact inside a larger container for Legos. The bags are mesh, and they don't bubble up and waste space like the plastic zipper-close bags." -- H.K. in Missouri

\* If you keep a couple of crackers in your sugar jar, they will keep the sugar from caking. Plain saltine crackers work best, especially the no-salt kind.

## Heritage Academy raises over \$21,000 at golf tournament

Yanceyville, North Carolina - Heritage Academy hosted its 2018 Heritage Academy Golf Tournament on Saturday, May 12, 2018 at the Caswell Pines Golf Club, in Yanceyville, North Carolina. The four person Captain's Choice tournament featured a clear, but hot, day on a challenging course. The event hosted 95 golfers playing on 24 teams.

Heritage Academy set a fundraising goal of \$20,000 for the tournament. The tournament fundraising was directed to the Academy's new campus building fund. The school exceeded all expectations and raised \$21,262.06 net.

Heritage Academy had five major tournament sponsors this year. Major tournament sponsors included B & L Construction, Hammock Dairy, Haymes Brothers, Moss Home Improvement and Roofing, and Southstone Behavioral Healthcare.

"This was a great day for Heritage Academy. Our fundraising golf tournament received a lot of support from community leaders and business people," Ann Haymes, Heritage Academy head of school, said. "We are very grateful to our golfers, parents, and supporters for exceeding our fundraising goals. The entire school is grateful for such a successful event."

The top three winning golf teams were recognized in the final standings.

The first place team was sponsored by Gregory Lumber. Elvis Phelps, Freddie Phelps, Neil Phelps, and Alan Wells won large "31" Brand tote bags full of insulated cups, coolers, PROV balls and beach towels. The top prizes were provided by Jason and Sharon Yeatts.

Moss Home Improvement sponsored the second place team. Team members Ron Cooke, Steve Chromy, Jason Yeatts and Ramsey Yeatts were extremely competitive in 2018. Chromy, J. Yeatts, and R. Yeatts were 2017 Heritage Academy Golf Tournament winners. They won four sleeves of Titleist Soft Tour golf balls and Anyday Greens Fees to Caswell Pines Golf Club, donated by Caswell Pines Golf Club.

The Capital Insurance team claimed third place. Kevin Dill, Harold Dill, Jesse Lane, and James Shellhorse each won a sleeve of Titleist Velocity golf balls.

The Longest Drive contest was won by Carlos Flores, who claimed the Outdoor Freestyle folding rocker prize. Kenny Payne won Closest to the Pin. His prize included a golf umbrella, golf chair, and cap donated by Christopher Eastwood of Edward Jones. The 50/50 raffle was won by Phil D'Domenicus, representing Catalpa Cottage, who donated his half of the raffle back to Heritage Academy. His final donation pushed the total earnings from the fundraiser over the \$21,000 threshold.

Heritage Academy also showcased the conceptual designs for a new Heritage Academy campus. The golfers and businessmen, and attending supporters had a chance to see several versions of the proposed campus layout. All 2018 Heritage Academy Golf Tournament fundraising was dedicated to the Academy's building fund.

"Fundraising provides funds for enhancing our educational program and moving Heritage Academy forward," Haymes said. "The 2018 Golf Tournament was the final fundraiser for the Academy for the 2017-2018 Academic year."

48 local businesses and individuals provided tournament hole sponsorships. Those sponsors include: Adkins Concrete; Calvin Alderson; American National Bank & Trust; Bay 8 Machine Shop; Blair Homes, LLC; BlueRally Marketing; Bojangles (Blairs); Callands Tax Service; Capital Insurance and Bonding; Cherrystone Veterinary Hospital; Catalpa Cottage (Chatham); Chick-Fil-A; Edward Jones; Emerson Road Farms; Farm Credit of the Virginias; First Citizens Bank; Food Lion; Gregory Lumber, Inc.; God's Pit Crew; Hardee's Restaurant; Joan Haymore; Hollywood Baptist Church; Independent Timber; J&J Equipment Rentals; LE&D Professionals, PC; M&W Flower Shop, LLC; Mecklenburg Electric Cooperative; "Miss Moon" and John Moore; Motley Dairy, Inc.; Paul W. Heritage Academy also recognizes the Caswell Pines Golf Club for their superior service and support throughout all tournament years.

Heritage provides students a strong Christian educational environment focused on character development, service to others, and good citizenship. The Academy serves students in preschool, kindergarten and 1st - 8th grades. It supports a traditional curriculum taught in a Christian environment dedicated to God.

## Twin Sisters Tackle Support Tech Programs at DCC

DANVILLE, VA., MAY 21, 2018 Chanette and Chantel McCain share a birthday and, as of this year's commencement ceremony, a matching set of degrees from Danville Community College.

Dan River High School alumnae and twin sisters Chanette and Chantel McCain graduated from Danville Community College's (DCC) general office studies, medical office studies, administrative support technology (AST) medical office administration, and AST medical coding specialization programs.

The McCain twins, who turn 25 on May 22, said that balancing class time, studying, work, and taking care of their father, Earl McCain, at home was a challenge.

"It hasn't been easy, but it was all worth it," Chanette said. "If it wasn't for our father pushing and encouraging us, we both know we wouldn't have made it this far."

The twins work at PreServe Services Day Support Program. Chantel's roles there include billing coordinator, information coordinator, and direct support professional, while Chanette works as a direct support professional and office administrator.

They both intend to pursue master's degrees and Qualified Mental Health Professional (QMHP) licensure.

"We also want to thank our grandmother, Clara McCain, who is our father's mother, our oldest sister, Demesha Ballou, and our godmother, Ethel Gwynn, for always being by our side and encouraging us," Chanette said.

Chanette and Chantel both thanked their DCC professors and staff for their part in the twins' academic success.

1. What was Def Leppard's first No. 1 song?
2. Phil Collins' "Two Hearts" was used on the soundtrack to which film?
3. The Highwaymen was a country supergroup from 1985 to 1995. What does that mean?
4. Who had a posthumous hit with "Blue Side of Lonesome"?
5. Name the song that contains this lyric: "Hitchin' on a twilight train, Ain't nothing here that I care to take along, Maybe a song to sing when I want."

Answers

1. "Photograph," in 1983. The song appears in "Grand Theft Auto V."
2. "Buster," in 1988. The song went to the top of the charts and stayed there for two weeks.
3. All four members were successful in their own careers outside of the group. They were Willie Nelson, Kris Kristofferson, Johnny Cash and Waylon Jennings.
4. Jim Reeves, in 1966. It was the fifth song after his death to go to No. 1 on the charts.
5. "Cracklin' Rosie," by Neil Diamond in 1970. Legend says the song was written for the music director (named Rosalie) of a radio station, hoping she'd play it on the air. The refrain, "play it now, play it now" was supposedly a message to her.

## FAVORITE RECIPES

### DOUBLE RL RANCH BURGER

Ralph Lauren's Signature Burger

#### INGREDIENTS

- Ralph's Special Sauce
- 1/2 cup mayonnaise
- 1/2 cup ketchup
- 2 tablespoons sweet relish
- 1 tablespoon finely chopped cornichons
- 1 tablespoon finely chopped red onion
- 1 teaspoon Worcestershire sauce
- 1/2 teaspoon garlic powder
- 1/2 teaspoon onion powder
- 1/4 teaspoon hot sauce (preferably Tabasco)
- Kosher salt and freshly ground black pepper
- Burgers**
- 3 pounds ground beef chuck (20% fat)
- 8 ounces clothbound cheddar (such as Cabot), thinly sliced
- 8 sesame buns, toasted
- 16 slices bacon, cooked
- Green leaf lettuce, sliced tomato, sliced red onion, and sliced pickles (for serving)

#### INSTRUCTIONS

Ralph's Special Sauce  
Mix mayonnaise, ketchup, relish, cornichons, onion, Worcestershire sauce, garlic powder, onion powder, and hot sauce in a small bowl; season sauce with salt and pepper.  
Do Ahead: Sauce can be made 2 days ahead. Cover and chill.

#### Burgers

Prepare grill for medium-high heat. Divide beef into 8 portions (about 6 oz. each). Working with 1 portion at a time, cup your hands around the meat and begin to gently shape it into a round patty, being careful not to pack the meat too tightly. Lightly press down on patty to flatten, then press a slight indentation into the center with your thumb (this will prevent patties from bulging when cooked).

Generously season both sides of patties with salt and grill 5 minutes. Turn and top with cheese. Cover grill and cook until cheese is melted and patties are medium-rare, about 5 minutes more. Transfer to a platter and let rest 5 minutes.

Build burgers with buns, patties, bacon, lettuce, tomato, onion, pickles, and special sauce.
