PROVEN ACCOUNTABILITY

Success stories and helping families. I get motivated by two generation-old philosophies. One, there are three kinds of people: those who make things happen; those who watch things happen; and, those who wonder what happened. Second, always walk the walk before talking the talk. As your Probate Judge for the last five years and since this election season began, I have applied these philosophies to every aspect of my office by keeping all probate cases, mental health commitments, and adoptions handled efficiently. In running my office it has kept me from spending as much time as I would have liked visiting with many of you. So while some have been talking the talk, my staff and I have continued to produce results with more than 3,000 successful cases completed during our first five years of service. **That is our way of walking the walk!**

Stopping long-term, low-dose aspirin therapy may increase your risk of suffering a cardiovascular event, according to new research in the American Heart Association's journal Circulation. Aspirin, taken in low doses, is used to help reduce the risk for recurrent heart attack or stroke. Aspirin inhibits clotting, lowering the risk of cardiovascular events. Nearly 10 to 20 percent of heart attack survivors stop daily aspirin use within the first three years following their event. In broader patient settings, discontinuation rates of up to 30 percent and poor aspirin compliance in up to 50 percent of patients have been reported.

Results from a new study published in the Journal of Clinical Lipidology showed that in 14 randomized, controlled trials (RCTs) of 71,899 people, consumption of EPA and DHA omega-3s reduced the risk of cardiac death by a statistically - significant average of 8 percent. Cardiac death accounts for about two-thirds (about 405,000) of all cardiovascular disease deaths in the United States, and 42 percent (7.4million) globally, each year. This is the first published meta-analysis to include cardiac death (also known as "coronary mortality") as a primary endpoint, and the most comprehensive review of the evidence to date. The meta-analysis showed even greater-17 percent -risk reduction in groups who had elevated triglycerides or LDL cholesterol. These results are consistent with the hypothesis that EPA and DHA omega-3s may be most useful for reducing cardiac death in higher risk individuals, which is important since The National Center for Health Statistics estimates that 25 percent of adults in the U.S. have triglyceride levels of 150 mg/dL or higher and 27 percent have LDL cholesterol levels at or above 130mg/dL. The greatest reduction in cardiac death rates-an almost 30% risk reduction-was observed in trials that utilized dosages of more than 1 gram of EPA and DHA per day.

When we gave 100 landscapers our new PRO Z Series mower to test, we heard colorful reactions. With one look at the industry-leading triple-7-gauge steel deck, they knew it was different. After thousands of hours on the job, they proved the PRO Z Series could handle the demands of serious landscape professionals. From its durability in tough conditions to its unrivaled comfort, the PRO Z left professionals utterly impressed.

DONT BE DECEIVED

The people of Cullman County need to know who is trying to influence their elections!

The Victims Voice is a Political Action Committee funding misleading, mud-slinging ads against Circuit Court Judge, Martha Williams. Their Principal Officer, Sebastian N.M. Green, works for attorney Tommy Drake and Kimberly Harbison Drake at the Drake Law Firm. The Drakes are long-time leaders in the Democrat Party.

We have known both Circuit Court candidates for a long time, and we overwhelmingly and proudly support Martha Williams for Circuit Court Judge. We believe her outstanding record and support of the citizens of Cullman County speaks for itself. We can also assure you Judge Williams has always been a true conservative Republican.

Can you trust a candidate who's trying to deceive you to get elected, to not deceive you after he is elected?

On June 5, Please Vote for Martha Williams for Cullman County Circuit Court Judge

Paid Political Advertisements by the following former chairmen of the Cullman County Republican Party: Bill Floyd, David Ozment, and Ken Brown.

Dudley and Frances Brock

We encourage you to vote to Re-Elect Tammy Brown for Probate Judge on June 5.

We have had the pleasure of knowing Tammy and her family since 1969. Tammy is the candidate we trust to make the tough decisions in dealing with important family issues. She has devoted her life to the Probate Office and the people of Cullman County. She is not only my (Mary Frances') employer, but we both consider her a very dear friend.

Let's keep Tammy Brown as our Probate Judge of Cullman County.

My opponent in a recent political ad stated:
“Excellent judges have extensive legal experience, a strong personal commitment to serve their community, the highest degree of integrity and a strong work ethic.”

I ABSOLUTELY AGREE

PAST

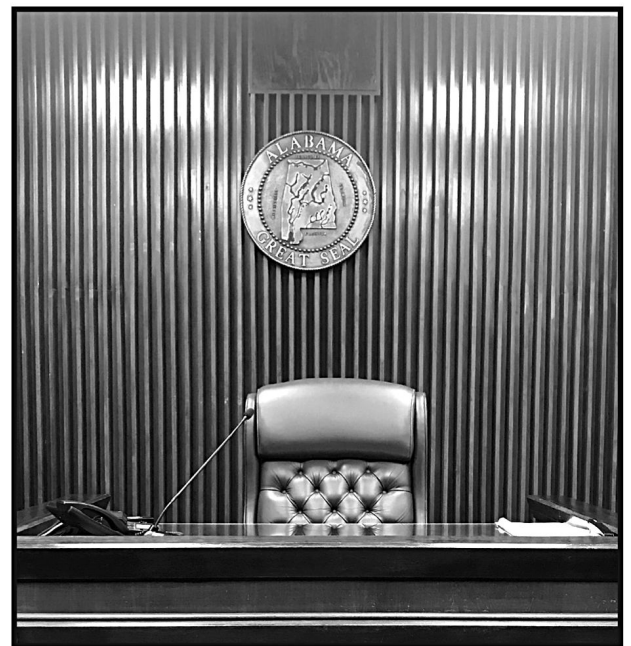

As an EMT-Paramedic, **MELVIN HASTING** served his community by responding to thousands of emergency calls for 10 years. As an instructor at Wallace State College—he trained hundreds of EMTs as well as taught numerous first aid and American Heart Association courses to responders, businesses, schools, and other healthcare providers certifying thousands in CPR and other life saving techniques.

PRESENT

As an Attorney, **MELVIN HASTING** has provided legal services to thousands of people ranging from services as guardian for children and attorney for parents/grandparents in custody cases as well as accepting appointments to provide defense for indigents accused of crimes whom couldn't afford an attorney.

FUTURE

As your Circuit Judge, **MELVIN HASTING** will continue to serve Cullman County by treating persons in his courtroom with fairness and dignity and **MELVIN HASTING** will do everything possible to protect Cullman County from career criminals and will work to ensure that the rights of victims of crime are protected.

PROVEN ACCOUNTABILITY

Transparency and honesty are more than buzzwords. It's how I run my office. When it comes to serving as Cullman County's Chief Election Official it's my job to make sure our voters know where and when to cast their vote. While some may criticize me for allocating extra funds to publish our voters' list in more than one publication, I feel it's my responsibility to make sure the people in Cullman County have access to the information they need to let their voice be heard. I am careful with taxpayer dollars and have always worked within the budget allotted for my office. During my tenure as Probate Judge, I have had two clean audits proving my fiscal responsibility. Don't forget to cast your vote on June 5th.

CULLMAN COUNTY

*Committed To Community
 Dedicated To Progress*

There's three things I've been focused on throughout this whole campaign:

The first of those is being accessible to the people. There's no way for us to address the concerns of our community without knowing their needs. We must be accessible.

Second, I would like to put my experience to work for the citizens of Cullman County. I will streamline the office, restore relationships, and provide training and quality leadership to staff. I believe my years of business management would not only be an asset to this office, but would bring the positive change that is desperately needed.

Third is this: The state has taken its hands off of mental health in Alabama, and we must address from a local level the crisis that we now find ourselves in. We must come together as a united community with an open mind. Cullman's suicide rate has not only risen, but doubled — from 15 people in 2016, to 30 people in 2017. It is time to educate and take action.

Martha Williams SOFT ON CRIME!

Convicted Sex Offender, J. Fowler, pleads guilty to Electronic Solicitation of a minor on November 14, 2016. On July 20, 2017, a Cullman County Grand Jury indicts J. Fowler for committing a new felony: Violation of the Sexual Offender Registration and Notification Act.

On March 9, 2018; Fowler pleads guilty to the new felony. As a result of Fowler having committed a new felony offense, the state prosecutor requests that his probation be revoked, and that he be remanded to prison. After a hearing on April 19, 2018; Judge Martha Williams denies the state's request and reinstates Fowler's Probation. (Case No. CC-2015-6.00; CC-2015-6.70; and CC-2017-391).¹

¹Williams accepted both of Fowler's felony pleas.

Folks, there ain't no use of law enforcement authorities investigating and solving crimes if she's simply going to let 'em out. Her so-called "experience" isn't the kind we need.

The Messiah did not promise life to an unrepentant sinner, but to the sinner who would repent (Jn 3:3-7) and sin no more (Jn 5:14, 8:11, 1Jn 3:8-9, 2Cor 5:17, Rev 22:14-15). Yet the beast (Dan 7:25, 2Cor 11:13-15), tempts that Christ knows you cannot do this so pray to Him and you will be forgiven, and no need to be baptized. So Be It!

TO THE CITIZENS OF CULLMAN COUNTY
My name is Donna Leigeber. I was born and raised in Cullman. I began my career in 1973 working for Ruth Gasser and Circuit Judge Jack Riley. I retired from the court system as Judge Martha Williams' Assistant in March 2017. During those four years I became extremely familiar with Judge Williams on a personal and work ethic basis.
This campaign has been one of the ugliest I have seen in a long time. Mr. Hasting's attempt to tarnish Judge Williams' reputation as to her ethics and dedication to her job is unfounded. The allegations Mr. Hasting has leveled against Judge Williams are purely and simply without merit and untrue. I know Judge Williams to be honest, kind, and unwavering in her loyalty to the people of Cullman County. She spoke often of the responsibility she holds and how it affects peoples' lives. She has said "we see people on probably the worse day(s) of their lives and it is our calling to try to help them as much as we can." She takes great pride in the office she holds and would never do anything that would tarnish the Office of Circuit Judge or the stellar reputation she maintains herself.
In the four years that I worked for her, she resolved a backlog of more than 300 cases requiring orders and/or hearings on her court calendar, working 7 days a week, never complaining, and she has continued to strive to maintain a current court docket. She meets her challenges head first and head strong. Every morning when she stepped through the door of her office she would greet me with the most wonderful smile which I always translated into "let's get to work."
Judge Williams is a Judge who has served you well and I am truly honored to have served as her Judicial Assistant for the last four years of my career. I was blessed to have been associated with her.
On June 5th., please vote and cast that vote to re-elect Judge Martha Williams. Thank you and God Bless.
With all the best wishes, I am sincerely yours.

You were always the careful one, ever obeying, very grounded, I was much more adventurous, mischievous, unfounded. No matter how uninterested I acted, you always had my attention, That hasn't changed despite the complete change of our condition.

I wonder how time factors in the place you now live and stay, Does 60 minutes make an hour which steadily passes without delay? Does a decade pass in an instant as you are riding on a shooting star? How much faster can you travel on angel's wings compared to a car?

I wonder how you see events continue in this place you used to live, See the big scheme of life I guess you can easily forget and forgive, I thank you for watching over us as we blindly feel our way through this maze, And thank you for being the comforting embrace during the trying days.

I think about you often and lock our memories secure in a safe location, Knowing I have you fighting by my side gives me great strength and motivation. I know you have been watching us with great patience and understanding, We wait to reunite again on the glorious day our name the Savior is commanding.

IS WHAT WE ARE ALL ABOUT

AD PRICES EFFECTIVE WEDNESDAY, MAY 30, 2018 THRU TUESDAY, JUNE 5, 2018

SHOP TODAY'S LOW PRICE TAGS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
