MELANOMA CANCER SCREENING

Cancer affects us all. According to the Skin Cancer Foundation, one in five Americans will develop skin cancer by age 70. It is one of the most common forms of cancer. As the weather gets warmer, please be sure to apply all necessary skin products. You may not know that certain beaches throughout the City of New York will be giving out free sunscreen to beach-goers. Be sure to take and use one! With this in mind, the Montefiore Health System is graciously offering a free total body skin examination on Saturday, June 3 from 9 A.M. to 2 P.M. at the Montefiore Einstein Center for Cancer Care located at 1521 Jarrett Place, Bronx, NY 10461. Insurance is not necessary. For more information, please contact (718) 862-8840.

WORLD NO TOBACCO DAY

Thursday, May 31 is World No Tobacco Day. It is our jobs to encourage our loved ones to "kick the habit." According to the NYC Department of Health & Mental Hygiene, nearly 867,000 adults and 15,000 young people use tobacco products. The use of tobacco products can cause vascular disease, diabetes and heart and lung diseases in addition to many forms of cancer. With this in mind, the NYC DOHMH launched the "Help Me Quit" mobile application this past winter. It is available for free download on your smart phone and/or tablet. The "Help Me Quit" application provides tips on how to stop cravings, a map of nearby support clinics and helps track your progress on your journey toward quitting. Interested persons may call 3-1-1 to find a local quit smoking program or can visit www.nysmokefree.com. As always, you are welcomed to contact my office at (718) 892-1161 with questions.

DISTRICT NEEDS

Each year the City of New York requires each Community Board to submit a list of capital and expense requests in its respective district for review. For example, Bronx Community Board #10 can suggest to the city to renovate an existing park, create a new park or increase funding to the City Department of Transportation for road repair. Please be advised that this process is now open. If you are a Bronx Community Board #10 resident that wishes to suggest an item to be placed on our Fiscal Year 19 District Needs Statement please contact me directly at (718) 892-1161 or via e-mail at bx10@cb.nyc.gov. Requests are prioritized. If your request does not make it to our final list in October, my office will still have it on record for future District Needs Statements. To be clear, our list to the City of New York is a recommendation to the City for what we feel the community needs in terms of municipal services.

HELP KEEP PELHAM BAY PARK CLEAN AND GREEN! Pelham Bay Park is the largest park in NYC and includes a 13-mile coastline, salt marshes, shady forests and sunny meadows, a 19th century historic house, the Hunter Island Marine Zoology and Geology Sanctuary, bridle trails, golf courses, bike paths and Orchard Beach, the only public beach in the Bronx. Our goal is to help conserve this remarkable green space and preserve its natural beauty for everyone to enjoy. Planning project schedules for the Fall calendar and looking for groups to join us. Perhaps your team would like to help beautify and care for the park. Volunteers plant trees, remove invasive plants, maintain the park's nature trails, and host special events and programs. Available to discuss a custom project for your organization. Dates are available for September, October and November 2018. Contact: Lynne.Corry@parks.nyc.gov
