District Manager  
Bronx Community Board #10  
3165 East Tremont Avenue  
Bronx, NY 10461  
(718) 892-1161

### PUBLIC HEARINGS IN JUNE

As all of you know, all Community Boards are required to publicize its public hearings. In addition to our General Board meeting on June 21 at 7 P.M. at the Greek American Institute located at 3573 Bruckner Boulevard, there will be two public hearings. On Monday, June 18, CB #10 will hold a hearing on topics such as the proposed animal shelter in Co-op City and the New York City Department of City Planning's zoning text amendment on hotels in manufacturing districts. This particular public hearing will take place at 2049 Bartow Avenue, Bronx, NY 10475 in Room 31. There will be a second public hearing that will occur on Wednesday, June 27 at 7 P.M. at Fort Schuyler House which is located at 3077 Cross Bronx Expressway. The topics for this public hearing include the proposed Throggs Neck Business Improvement District and the proposed plaza at Westchester Avenue and East Tremont Avenue from the Westchester Square Business Improvement District. Please be sure to call my office at (718) 892-1161 if you need additional information.

### FARMERS MARKETS

Many of you know that I do my best to promote healthy living by relaying any tidbit of information to you through this column. An integral component of living a healthy lifestyle is being sure of what to eat. Thankfully, the City of New York's Department of Health and Mental Hygiene is doing its part. There are over 130 farmers markets in New York City and it is just a text message away. Text "SoGood" to 877877 to find a farmers market in our area. Farmers markets bring locally grown fruits and vegetables for purchase. Let us all do our part in supporting our local farmers as most provide an affordable way to eat healthy. For more information, please visit the initiative's website at [www1.nyc.gov/site/doh/health/health-topics/cdp-farmersmarkets.page](http://www1.nyc.gov/site/doh/health/health-topics/cdp-farmersmarkets.page).

### MEN'S HEALTH MONTH

The month of June is nationally recognized as Men's Health Month. Please encourage all of your loved ones to visit their doctors for their annual visits, tests or reviews. According to many studies, men on average visit their doctors less and do often skip their appointments and fail to admit to themselves that something might be wrong. Please know that the City of New York offers a countless number of educational programs that can save a life. My office is available to anyone who is looking for information or for a non-profit that can lend its advice on how to proceed. On behalf of Bronx Community Board #10, I wish all great health and the best of luck.
