# Congratulations to 2018 winners!

Our readers voted, and these are the best for 2018!

After a weeks-long voting opportunity this spring, all of the ballots are in, they are counted and our Main Line Media News readers have chosen these businesses as the best at what they do.

The winners are the independent business owners who help make up the fabric of our terrific Main Line region, in towns from City Avenue to Malvern and beyond. The Best of Main Line Media News Readers' Choice Awards

gives our readers the chance to say "thank you" for providing the great products and services they seek — and it's no small task in these times of competition from internet shopping sites and national chains.

To our local businesses, if you are our readers' choice for 2018, kudos on being included in this guide. Give yourself a pat on the back for a job well done. You deserve to be honored with this annual award, one that you can proudly display to let your cus-

tomers know that you're someone on whom they can rely to provide the best of the best.

And to our readers, make sure you peruse the categories and see all of the winners. You have a listing of the best of the best in our area right at your fingertips, and we hope this will serve as a guide as you make decisions about where to eat, what to do and which businesses to patronize.

Congratulations to all of our 2018 winners.

## THE DISABILITY & PERSONAL INJURY LAW FIRM

*Thanks for your support!*

### **BEST LAW FIRM • BEST LAWYER**

We want to take this opportunity to thank our friends, neighbors, and clients for recognizing our work and honoring us as attorney and law firm of the year.

More than 25 years ago we took what we thought was a calculated risk and hitched our fate to Ardmore. Cautioned and discouraged by many, we purchased the abandoned Bell Telephone building and mortgaged our future with the cost of its redevelopment. But we firmly believed that this diverse little town, nestled in the heart of the Main Line, would one day rise from its lethargy of abandonment and absentee landlords and reestablish its rightful place as the vibrant center of Lower Merion Township.

With the help of a devoted group of Ardmore Initiative Main Street managers and well-meaning volunteers, we set up a system of self taxation and successful grant writing, eventually upgraded all the sidewalks and overhead lights, and installed as many trees as conditions would permit. But still many owners remained reluctant to invest in the town and its blighted vacancies persisted.

Whether the Dranoff project, Ardmore One, turns out to be too tall or dense a structure, only time will tell. But there is no denying that the project has drawn countless investors to renew and improve our building stock and bring young and old alike to join in the experiment of transit oriented development.

Our little shop of lawyers has grown alongside the town's improving infrastructure and is now seven attorneys strong with a support staff of 20 dedicated professionals. We continue to limit our practice to representing disabled individuals and accident victims, as well as those who are injured or mistreated in the workplace.

Thank you again for honoring us with the Readers' Choice Awards for Best Lawyer and Best Law Firm.

Fondly,

*Cindy and Mike Silver*
