**41 E. 14 Mile Rd. Clawson, MI • 248-585-4090**  
**now on Facebook!**

T&I Credit Union was founded in 1955 by Ford Tractor Employees in Birmingham. In 1987, we relocated to our current location in Clawson. However, our goal of serving our members and communities has always remained the same. We do so by remaining competitive with low interest rates on loans, special offers and deals, and constant involvement in schools and the communities we reside in.

We are constantly focused on improving our members overall experience. Currently, we have been in the process of developing a new website and adding additional features to make handling finances and loans easier, regardless of where you are. We are also in the process of transforming a portion of our front lobby into a new youth area called YouthLink. Once construction is finished, kids will have a tablet available to play games on, coloring books, and custom deposit slips provided to them in this area.

In addition to YouthLink, we are taking this opportunity to begin an annual fundraiser. For \$5, a child can buy one of the painted bricks on our wall to have their name written on for one year. All proceeds will be donated to the Children’s Hospital of Michigan.

**What makes us the best?**

**No-Cost Home Refinance**

A popular 2018 special we have been running is our No-Cost Home Refinance. If you refinance with us within 6-months of purchasing your home, we will match or beat your current rate for absolutely no charge\*. In addition, you will also receive a \$100 gift card to your favorite home improvement store as a thank you for your time. Our rates (4.35%) are below the industry standard (4.75%). Below is an example of how much you can save over the time of your loan by refinancing thru T&I Credit Union:

	Loan Amount	Interest Rate (Fixed)	Length of Loan	Total Interest Amount
Industry Standard	\$200,000	4.75%	30 Years	\$175,588
T&I Credit Union	\$200,000	4.35%	30 Years	\$158,425
<b>Total Savings</b>				<b>\$17,163</b>

In this Example, an individual would be saving around \$572 per year. We also offer other refinance options, including cash out.

**Ultimate College Package**

We are also focused on helping students prepare for the future. In doing so, we have created the Ultimate College Package for high school seniors going into college. Students will receive:

- Savings Account
- Checking Account
- Debit Card
- Credit card\*\*
- \$25 Gift Card to Staples

In addition, we are offering scholarships to students that attend Clawson, Troy, and Troy Athens High School. Please call our office for more information on the scholarships and how to apply. Applications are due July 31st.

**Small enough to know you, big enough to help**

Unlike large banks, we take the time to get to know all of our members. Going above and beyond for our members to help meet their needs is a goal for everyone on our staff. However, just because we are small enough to know all of our members does not mean we are unable to help with larger financial needs. T&I Credit Union is a full service financial institution and we are ready to help you handle any of your biggest financial decisions. On the off chance we cannot help with something or meet a need, we will send you to someone who can. We do this because we truly believe in doing what is best for our members.

**Thank you!!!**

To begin, we would like to thank all of our members for their continued support. If not for our members, we wouldn’t have been named Clawson’s business of the year or the Daily Tribune’s Best credit union three of the past four years. Your continued support is what drives us to be a better credit union every day as we strive to improve and meet all of your needs.

Secondly, we would like to thank Morse Elementary and the excellent teachers/staff that run the school for allowing us to come in for the first time this year and begin to teach kids about the importance of savings as they opened their first savings account with us. We have enjoyed connecting with the students during lunchtime as they made their deposit, as well as all of the families we have had the pleasure of talking to at various events. In addition to Morse, we would also like to recognize Martell and Leonard Elementary for their continued support of us and for another excellent school year. We look forward to another great year at all three of the schools in 2018-2019.

Thank you to our staff. You all come in and work hard every day to provide every member with the best possible experience, regardless of the situation. Just as our members, we could not have gotten to where we are today if it wasn’t for all of your hard work, dedication, and commitment to your job and our members. All of your work is greatly appreciated inside and outside of the office.

Last but not least, we would like to thank our dedicated Board of Directors for their continued support. New programs and offerings would not be available without the willingness and enthusiasm of our board members to continue to move our credit union forward.

\*Restrictions Apply. As low as our current platinum rate.  
\*\*Restrictions Apply. Employment or co-signer required.
