SARA SPICER & HEIDI HAMELS

A WINNING TEAM

Heidi Hamels, wife of former Phillies pitcher Cole Hamels, and co-founder of the Hamels Foundation, was on a mission to find a co-writer and singer to bring her poetry to musical life. Heidi's search led her to Delco native Sara Spicer. The two hit it off immediately and a partnership

was born. The fruit of their efforts, NEW GIRL, is a surging sound track of love and loss, and soaring determination, all tied together by Sara's buoyant vocals and bittersweet harmonies. The first single, "Jump" is already making waves on the country charts. Sara is the Special Guest of RiverJam headliner, Ryan Follese, along with rising star Lee Gantt. Be sure to catch the NEW GIRL June 30.

ABOUT YACHTSTOCK

YachtStock Inc. is a 501(c)(3) organization registered in PA that provides help for local families and Shriners Hospitals for Children Philadelphia. We have a special focus on families in financial need due to a child suffering from chronic or grave health issues. Over the years we have raised many tens of thousands of dollars for these struggling children through our charity events throughout the year.

BENEFICIARIES

Leo Smith was born on January 11, 2018, to Christina Smith of Essington. At 10 weeks old Leo had open heart surgery. Before surgery Leo tested positive for Pre-B Cell PBX1 Leukemia, which is a genetic mutation that results in heart and development complications and can in some cases lead to leukemia. Christina will need help caring for her son so that she can continue to work and maintain a home for her children.

Brooklyn Selah was three months old when a sweat test confirmed cystic fibrosis (CF), an inherited disease that affects the glands that makes mucus, digestive fluids, and sweat. With the help and support of the Cystic Fibrosis Center, and her parents, Brooklyn, now 15 months old, is active and strong, but she must have therapeutic treatments daily. The new normal for the family has now become a routine that will become a life time of adjustments.

RYAN FOLLESE

RYAN FOLLESE TO HEADLINE RIVERJAM

Yachtstock is proud to bring International recording artist Ryan Follese to the Yachtstock RiverJam Stage with a performance slated for 8 PM leading into Tincum Township Fireworks at 9:30. Ryan Follese (pronounced Fall-uh-zay) is the former lead singer for HOT CHELLE RAE and penned their 4X Platinum #1 worldwide smash, "Tonight, Tonight." The group toured the world, including dates with Taylor Swift. Follese left the group after two albums and appearances on Dick Clark's Rockin' New Year's Eve, Late Night with Jimmy Fallon, and many more. Follese is now a solo act and has returned to his family's roots as a country artist but with the multi-octave voice and catchy melodies that made him a fan favorite.

The 20th Annual Yachtstock Riverjam is Saturday, June 30, in Essington, PA. The party runs from 11 AM to 10 PM across two beautiful locations on three stages at The West End Boat Club and the Corinthian Yacht Club on the scenic Delaware River.

In addition to Tinicum Township fireworks, great bands, and food, there are many activities for the whole family, with rides, face painting, and the Delco Cruisers Car Show. Even better, Yachtstock is a 501c3 charity with proceeds benefiting local families and Shriners Hospitals for Children - Philadelphia.

FIREWORKS: How do you end a day with over 30 bands, Delco Cruisers Car Show, a Military Field of Honor, family fun and special 20th Anniversary moments? With fireworks of course! Yachtstock RiverJam wears its patriotism proudly on its sleeves and with the generous assistance of Tinicum Township we are bringing a fireworks display that pulls out all the stops. If you have not seen fireworks on the waterfront you are in for a special treat
