Successful County Commissioner – District 3

My wife Laura and I have chosen to make our home in Lincoln County for the last 18 years.

I have been a County Commissioner, Chairman of the Law Enforcement Committee, Chairman of the Rules and Legislative Committee, Chairman of the Beer Board and Industrial Oversight Committee and the newly established Veterans Services Committee.

I am adamant about the development of a progressive growth strategy and plan for Lincoln County that will provide infrastructure enhancements necessary to attract new residents and businesses allowing a broadening of the tax base rather than the approach for limited growth with continuing increases in taxes to current residents. I want to keep and sustain our young people in our community.
